NEED ADDITIONAL

1. Register

Create an account at <https://linqconnect.com> and selecting Register.

2. Verify your Account

Verify your account by clicking on the email verification link sent to your email address.

3. Sign In

Now you can sign in at <https://linqconnect.com> using your email and password.

Your account will not be active until you have verified your email address and password. Check your email for the verification link.

On the login page, click [Forgot your password?](#) Enter your email address and click [Reset Password](#). A temporary password will be emailed to you. Upon logging in with the temporary password, you will be prompted to set your new password.

You will need to add your student to your LINQ Connect account. Click on + then [Type](#) and complete the information to link your student. You will need to complete this process for each student you wish to add.

You can add as many children student's as you need, as long as they attend a school district utilizing LINQ Connect for their meal payment account.
